The city council voted to credit back any sewer charges over the base rate of $24.44 that were paid for the month of Januarys usage. This credits back the sewer customers' accounts for the 3-day freeze for January's usage.

9-1-1 Addressing
FED-Ex, UPS and Amazon Prime are having a tough time delivering packages to the correct address due to the address not being correct in front of all houses in the city limits of Wells. It is especially important that you have the correct address displayed. Your correct address is printed on your utility bill and can also be obtained from city hall. In 2010, the Appraisal District enacted modifications to a substantial number of 9-1-1 addresses. If you do not know if your displayed address is correct call city hall for verification. (936) 867-4615.
