COUNTY OF CHEROKEE
CITY OF WELLS

April 13, 2020

Due to the COVID-19 restrictions set by Governor Abbott the regular council meeting was canceled.

On March 18, 2020 Mayor Williams closed the city hall building to the public. All city business will be conducted by telephone, email, fax, and by the customer utilizing the dropbox and website to make utility and traffic fine payment.

City hall will be closed for the duration of the State of Texas quarantine. All-City of Wells employees are considered essential and will not be placed on furlough.

During this quarantine utility customers can not receive the \$100.00 nonpayment fee and can not have their water service disconnected for nonpayment.

Once the Governor opens the State of Texas and the council can meet without limiting how many citizens can attend the meeting Mayor Williams will call council meeting to resume.
